III-5 GRADING AND RESULTS

The results of the concerned examinations shall ordinarily be declared within 30 days from the last date of examination or as prescribed by the University.

III-5.1 Choice Based Credit System (CBCS): Cumulative Grade Point Average (CGPA) System for Academic Programmes

- All programmes of University shall follow the total credits as recommended by Board of Studies and approved by the Academic Council and will adhere to the distribution of continuous assessment and Term End Examination prescribed in the approved programme structure.

- Audit courses shall not be considered for computation of GPA/CGPA. The grade P (Pass) will be printed on the grade sheet only if the student passes the course. This course is evaluated 100% on a continuous basis.

- **Relative grading:** The grading of students will be done based on the relative performance of the students compared to the class. Continuous Assessment, Term End Examination and Practical (if any) will be separate heads of passing. Passing in a course means securing 40% of absolute marks in each head. Separate grade points will be calculated for Continuous Assessment, Term End Examinations and practical (if any). The weighted average of these components will be the grade point for the course.

- **Grading on absolute performance:** Assessment based on absolute marks may be applied for the courses Project/ Dissertation/ Thesis/ Internship (Ref. AC Resolution No. A6: AC: 21.08.2020). Absolute grading shall be mandatory for all the courses where the student number is 15 or less in each course.

- **Re-evaluation:** In case of re-evaluation, the scores obtained will be fitted as per the original range of marks of the grades.

- **Backlog Examinations:** In backlog examination the marks secured will be fitted back into the earlier distribution i.e. original range of marks of the grades.

- **Calculation of GPA for Semester and Overall CGPA:** The Grade Point Average for the semester will be calculated by taking the weighted average of the course grade points.

  The weights will be defined as per the credit points they carry. Similarly, the CGPA for the programme will be calculated by taking the weighted average of the semester grade points where the total credits for the semester will act as the weight. The formula is as below:

  \[
  CGPA = \frac{(GPA \text{ of Sem. I}) \times (Credit \text{ Points of Sem. I}) + (GPA \text{ of Sem. II}) \times (Credit \text{ Points of Sem. II}) + (GPA \text{ of Sem. III}) \times (Credit \text{ Points of Sem. III}) + (GPA \text{ of Sem. IV}) \times (Credit \text{ Points of Sem. IV})}{\text{Total Credit Points}}
  \]

- CGPA will be calculated up to two decimal points

- **Conversion of CGPA to percentage marks:** Percentage = CGPA / 10 * 100

- There is no provision to appear in examination to improve marks or grade.

- **Standard of passing:** A student has to pass Continuous Assessments, Term End Examinations and/or Practical (as applicable) separately i.e. obtain minimum GP of 4.00. GP less than 4.00 will be treated as grade F (fail).

- **Award of Degree/Diploma:** A student (UG/PG) will be awarded the degree only if he/she has a CGPA of minimum 4.00 on the completion of programme and has cleared Integrated Disaster Management Programme and/ Core Environmental Studies UG only applicable from 2018
onwards. Publishing a Research Paper in recommended journal viz. Scopus/ Web of Science indexed is mandatory for award of degree for Post Graduate students admitted from Batches 2019. Completion of course, Fitness for Life, is mandatory for award of degree for Under Graduate students admitted from batch 2020.

- **Award of Certification Programmes:** The following non-degree academic programmes commenced from the academic year 2018 will be awarded Certificate by SIU. The award of these academic certifications would require successful completion of the number of credits and it will be signed by the authorities as shown in the table below.

III-5.2 Credit Equivalence Policy:

Global Immersion Programme (GIP):

GIP is a special feature of SIU wherein student gets an opportunity to study abroad for a semester at the University of their choice. Students go to the partner Universities and study some courses. The student should not have any backlog or Terms Not Granted (TNG) in any semester (they must have 75% attendance in each semester).

Pt. Deendayal Antyodaya Bhawan,
C.G.O. Complex, New Delhi -110003
Dated: the 23rd August, 2018

Office Memorandum

Subject: Guidelines for conducting written examination for Persons with Benchmark Disabilities

The undersigned is directed to say that this Department had issued the guidelines for conducting written examination for persons with disabilities defined in terms of erstwhile Persons with Disabilities (Equal Opportunities, Protection for Rights and Full Participation) Act, 1995 vide OM No. 16-110/2003-DD.III dated 26/02/2013. The Department had constituted a Committee under the Chairmanship of Secretary, DEPwD in March, 2015 to review the said guidelines based on the issues raised by Union Public Service Commission and others. Meanwhile the Central Government enacted the Rights of Persons with Disabilities Act, 2016 (RPwD Act, 2016 ) which came into force from 19.04.2017. The Act provides for reservation in Government jobs for persons with benchmark disabilities as defined under section 2 (r) of the said Act.

Based on the findings of the Committee, the Central Government hereby lays down the revised guidelines for conducting written examination for persons with benchmark disabilities in supersession of the earlier guidelines issued vide OM No. 16-110/2003-DD.III dated 26/02/2013 as under:

I. These guidelines may be called as “Guidelines for conducting written examination for persons with benchmark disabilities 2018”.

II. There should be a uniform and comprehensive policy across the country for persons with benchmark disabilities for written examination taking into account improvement in technology and new avenues opened to the persons with benchmark disabilities providing a level playing field. Policy should also have flexibility to accommodate the specific needs on case-to-case basis.

III. There is no need for fixing separate criteria for regular and competitive examinations.
IV. The facility of Scribe/Reader/Lab Assistant should be allowed to any person with benchmark disability as defined under section 2(r) of the RPwD Act, 2016 and has limitation in writing including that of speed if so desired by him/her.

In case of persons with benchmark disabilities in the category of blindness, locomotor disability (both arm affected-BA) and cerebral palsy, the facility of scribe/reader/lab assistant shall be given, if so desired by the person.

In case of other category of persons with benchmark disabilities, the provision of scribe/reader/lab assistant can be allowed on production of a certificate to the effect that the person concerned has physical limitation to write, and scribe is essential to write examination on his behalf, from the Chief Medical Officer/Civil Surgeon/Medical Superintendent of a Government health care institution as per proforma at APPENDIX-I.

V. The candidate should have the discretion of opting for his own scribe/reader/lab assistant or request the Examination Body for the same. The examining body may also identify the scribe/reader/lab assistant to make panels at the District/Division/State level as per the requirements of the examination. In such instances the candidates should be allowed to meet the scribe two days before the examination so that the candidates get a chance to check and verify whether the scribe is suitable or not.

VI. In case the examining body provides the scribe/reader/lab assistant, it shall be ensured that qualification of the scribe should not be more than the minimum qualification criteria of the examination. However, the qualification of the scribe/reader should always be matriculate or above.

In case the candidate is allowed to bring his own scribe, the qualification of the scribe should be one step below the qualification of the candidate taking examination. The persons with benchmark disabilities opting for own scribe/reader should submit details of the own scribe as per proforma at APPENDIX-II.

VII. There should also be flexibility in accommodating any change in scribe/reader/lab assistant in case of emergency. The candidates should also be allowed to take more than one scribe/reader for writing different papers especially for languages. However, there can be only one scribe per subject.

VIII. Persons with benchmark disabilities should be given, as far as possible, the option of choosing the mode for taking the examinations i.e. in Braille or in the computer or in large print or even by recording the answers as the examining bodies
Examination Rules

can easily make use of technology to convert question paper in large prints, e-text, or Braille and can also convert Braille text in English or regional languages.

IX. In case, the persons with benchmark disabilities are allowed to take examination on computer system, they should be allowed to check the computer system one day in advance so that the problems, if any in the software/system could be rectified. Use of own computer/laptop should not be allowed for taking examination. However, enabling accessories for the computer based examinations such as keyboard, customized mouse etc should be allowed.

X. The procedure of availing the facility of scribe should be simplified and the necessary details should be recorded at the time of filling up of the forms. Thereafter, the examining body should ensure availability of question papers in the format opted by the candidate as well as suitable seating arrangement for giving examination.

XI. The disability certificate issued by the competent medical authority at any place should be accepted across the country.

XII. The word “extra time or additional time” that is being currently used should be changed to “compensatory time” and the same should not be less than 20 minutes per hour of examination for persons who are allowed use of scribe/reader/lab assistant. All the candidates with benchmark disability not availing the facility of scribe may be allowed additional time of minimum of one hour for examination of 3 hours duration. In case the duration of the examination is less than an hour, then the duration of additional time should be allowed on pro-rata basis. Additional time should not be less than 5 minutes and should be in the multiple of 5.

XIII. The candidates should be allowed to use assistive devices like talking calculator (in cases where calculators are allowed for giving exams), tailor frame, Braille slate, abacus, geometry kit, Braille measuring tape and augmentative communication devices like communication chart and electronic devices.

XIV. Proper seating arrangement (preferably on the ground floor) should be made prior to the commencement of examination to avoid confusion or distraction during the day of the exam. The time of giving the question papers should be marked accurately and timely supply of supplementary papers should be ensured.

XV. As far as possible, the examining body should also provide reading material in Braille or E-Text or on computers having suitable screen reading software for open book examination. Similarly online examination should be in accessible format i.e. websites, question papers and all other study material should be accessible as per the international standards laid down in this regard.
XVI. Alternative objective questions in lieu of descriptive questions should be provided for Hearing-Impaired persons, in addition to the existing policy of giving alternative questions in lieu of questions requiring visual inputs, for persons with Visual Impairment.

XVII. As far as possible the examination for persons with disabilities should be held at the ground floor. The examination centres should be accessible for persons with disabilities.

2. It is requested to ensure that the above guidelines are scrupulously followed while conducting examination for persons with benchmark disabilities. All the recruitment agencies, Academics/Examination Bodies etc. under the administrative control of each Ministry/Deapartment may be advised appropriately to ensure compliance of implementing these guidelines. Action taken in this regard may be intimated to this office.

3. The above guidelines are issued with the approval of Hon’ble Minister (Social Justice & Empowerment).

Yours faithfully,
